General of the event

"Commercial Liaison" is a country event that aims to bring together in an annual event the different Embassies in Costa Rica, commercial attachés, representatives of binational trade offices, commercial and bilateral chambers, generating space through which Costa Rican companies can network, strengthen their network of contacts and have access to commercial opportunities from more than 40 different markets. That way they can explore opportunities to market their products.

**Certified Event
Country Brand**

\$1600 + I.V.A

International Stand

FabLab (Stand 2x2.50), with structure and printing (logo)
Access to the closing cocktail (3 spaces)
List of Attendees to the event
1 Tariff calculation for each company represented.

Tariff Calculation

With this service it is possible to provide pertinent information on the taxes that a merchandise must pay when entering our country; the Import Tariff Duty (DAI), Sales Tax (IV), Law 6946, and other internal taxes, as well as if it requires any special permit for its import (applicable technical note), if it has any preferential tariff treatment within the framework of any Free Trade Agreement signed by Costa Rica, tariff reduction programs. Likewise, the documents or requirements that the importer must have for the products to enter Costa Rican territory will be indicated.

Price: \$90 + IVA
