

Business Interest & Company Information Directory of Pakistani Companies for Business-to-Business (B2B) Meetings

This Excel sheet contains the Name, Company Name, Business Interest (Import/Export), and the Website/Profile link for each company. Where an official website was available, the website link has been provided. For companies without an official website, a Google Drive link has been provided. The Drive folder contains all available PDF company profiles, with each profile saved under its respective company/person's name. The corresponding Google Drive link has been placed in front of each relevant entry.
